

The Benefits of Residents' Association Activities

[A Safe and Secure Community]

- Disaster drills to ensure safe evacuation in the case of an earthquake and the extinguishing of fires.
- Community patrols to prevent crimes such as robbery and sexual assault.
- Watching over school routes so kids can go to school safely.

[A Clean and Beautiful Neighborhood]

- We work to keep our town clean and a better place to live by tidying up community roads, parks and garbage pickup points.

[Healthy and Enjoyable Living]

- Get to know your neighbors and have fun together at community events like athletic meets (*undou-kai*) and festivals (*matsuri*).

[Information on Community Life]

- Receive helpful community information that will make your life here better.

About Association Fees

The Residents' Association activities are funded by residents' association fees and city funds.

How to Join the Residents' Association in Your Community

Ask a neighbor for the name and contact information for your neighborhood's Residents' Association chairperson and call to join.
